### **Telemarketers, Marketers, and Sales People**

If you are trying to obtain information about Far Beyond Fabricating LLC for your "database", you are wasting your time. If you are selling something, WE ARE NOT BUYING what you are selling! We are not interested in your company's products or services. If you contact us for any of these reasons, you are wasting your time. You can not speak to "the owner or person in charge". You can not get us to verify information for "our free listing". Spammers, Sales, telemarketers will not be tolerated. Your bullying tactics, from behind a keyboard or call center, wont work. If we needed your services, we would contact you. The FCC.gov has set up a form, that makes it simple to report your kind for harassment. Robo calling is illegal. All telemarketing calls received here are recorded and logged. You have been warned !
